About Company

Trusted Agribusiness Company

***Built on Quality, Integrity and
Excellence.***

Incorporated in Nigeria in 2012, Sunrizon sources, processes, and exports premium agricultural commodities, connecting local farmers to international buyers across seven continents.

***From Nigerian Farms
to Global Markets
With Pride.***

CEO Statement

Connecting Africa's Agriculture to Global Markets with Integrity..

At Sunrizon, we are driven by a clear vision connecting Africa's rich agricultural resources with global markets through integrity, quality, and sustainable trade practices that create real value for farmers, buyers, and communities. As an agrocommodity trading and export company, we recognize the vital role agriculture plays in economic development, food security, and wealth creation. Since our establishment, we have remained committed to sourcing and delivering premium agricultural commodities that meet international standards. We build long-term relationships with

farmers, processors, buyers, and strategic partners across the entire value chain. Our focus on quality assurance, transparency, efficiency, and customer satisfaction has positioned us as a trusted partner in global agro-trade. We believe Africa possesses enormous agricultural potential waiting to be unlocked for the world. Our mission is to bridge the gap between local producers and international demand through reliable market access.

We promote sustainable agricultural practices through innovation, strong logistics networks, and a dedicated professional team. As we grow, we remain committed to empowering local farmers and supporting ethical sourcing practices. We contribute positively to the agricultural sector and the economies we proudly serve across continents. Thank you for choosing Sunrizon, your trusted agrocommodity trading and export partner.

MD/Chief Executive Officer
Sunrizon Integrated Services Limited.

Company History

2012

Sunrizon Integrated Services Limited was officially incorporated in Nigeria by the Corporate Affairs Commission, marking the beginning of a bold agribusiness vision to connect Nigerian farmers with local and international markets through quality and integrity.

2018

Sunrizon expanded into full-scale export operations, successfully supplying premium agro commodities including hibiscus, ginger, sesame seeds, and cashew nuts to international buyers across Europe, the Middle East, Asia, and North America, meeting global quality standards.

2024

Sunrizon launched a modern mini-export retail outlet, bringing export-grade Nigerian agricultural products directly to supermarkets, restaurants, bulk buyers, and diaspora resellers, while strengthening its processing and packaging division to serve health-conscious consumers across Lagos and beyond.

Mission & Vision

Vision

***Africa's Most Trusted
Agrocommodity Export
Company.***

Our vision is to become Africa's leading integrated agribusiness company, recognized globally for excellence, integrity, and innovation in agricultural commodity trade. We aspire to build a future where Nigerian and African agricultural products are celebrated worldwide, where local farmers thrive through fair market access, and where Sunrizon stands as a symbol of quality, reliability, and sustainable agricultural development across every market we serve.

Mission

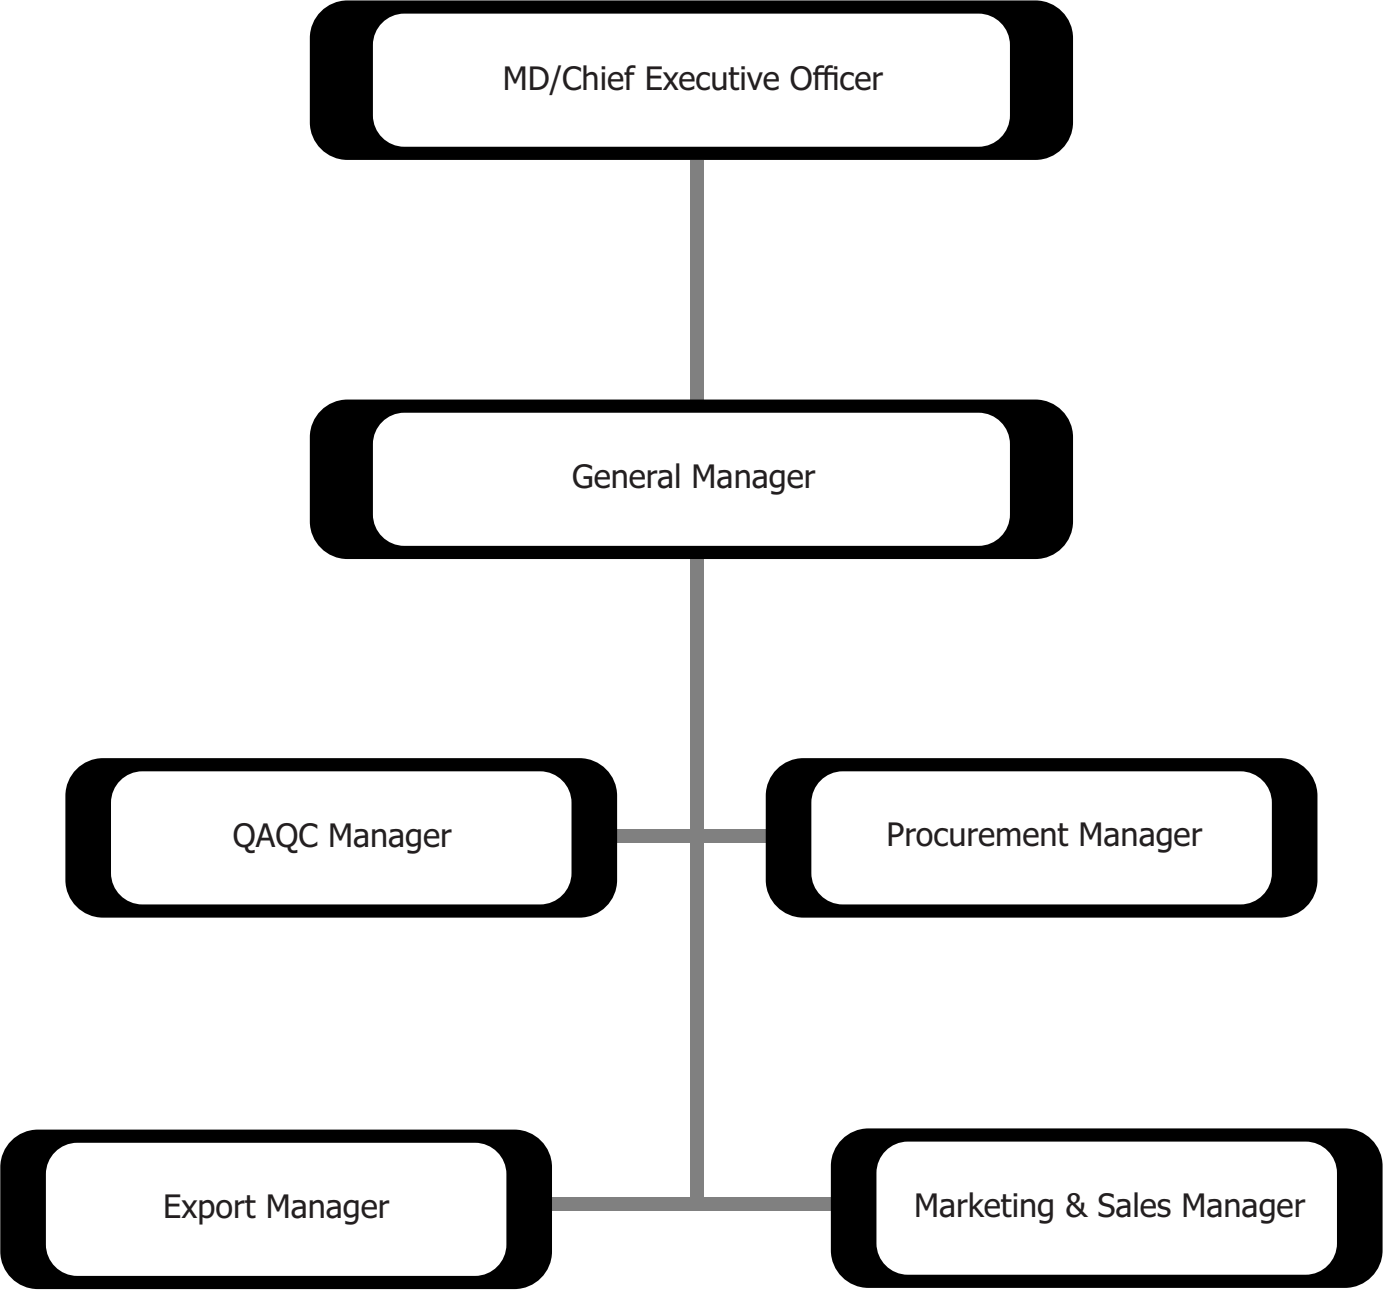

***Delivering Premium African
Agriculture With Excellence.***

At Sunrizon, our mission is to source, process, package, and export the highest quality agricultural commodities from Nigeria to global markets. We are committed to empowering local farmers, maintaining international standards, promoting sustainable trade practices, and delivering consistent value to every buyer, partner, and community we serve across the agricultural value chain.
